Guides & Policies

Product Description

Featuring a slim, ergonomic design for comfortable use, this worklight from Craftsman is durable enough and versatile enough for a variety of uses around the shop. A convenient outlet in the bottom of the handle (12 amp) allows the use of additional power tools. On/Off Switch. UL Listed.

- Light also shines from end of lens for use in tight spaces
- Fluorescent bulb burns cooler than conventional incandescent worklights
- Top-hanging hook swivels to direct light where needed
- Swivel cord hook for horizontal hanging or to swag cord out of work area
- Slide-off lens allows for easy bulb replacement without tools
- Replacement bulb (#98172) sold separately
- Adjustable magnetic mount (#83020) sold separately
