

Rite Aid Couponing Guide 7/24-7/30

Here we are at week 3 of shopping at Rite Aid for Operation: Slickdeal. Last week, you should have ended up with +UP Rewards for \$1, and \$1.50. Not much to start with, but every little bit helps, so here we go!

I am going to be super honest here; this week is SLOW. The deals that can be found are in the [weekly Rite Aid thread](#). This is the ONLY deal I see worth getting:

Reach products \$2.99 - \$1 Video value coupon, you will receive a \$1 +UP Reward, so the item costs \$.99 (LIMIT 2)

There is an additional coupon in the July issue of AllYou magazine for \$1 off. It can be purchased at Wal Mart for around \$2. It usually has enough coupons in it to make it worth your while. Make sure that the \$1 off coupon is in there before you buy.

The Video Value coupon mentioned is from [this list](#). These are videos that you watch [here](#), after signing up. You will be able to watch all the videos, earning all Video Value coupons. The great thing about these Video Value coupons is you can use them with a manufacturer's coupon when shopping at Rite Aid. The Video Value coupons are a one time use.

So if you get all that in line, it will look like this:

Reach toothbrush: \$2.99
-\$1 AllYou Magazine coupon
-\$1 Video value Coupon
= \$.99

This is where you throw in a small filler to use your \$1 +UP from last week. Pay with your +UP reward, and get a \$1 +UP reward back.

You should wait to shop on Wednesday, it is the beginning of an [oral care](#) month long +UP accumulation, so might as well wait, getting the most bang for your buck!

This is all you can do for the week, so take some time to watch some more videos, this will prepare you for other good weeks. Happy shopping!
