

# Walgreens Weekly Couponing Guide

This is your first weekly guide to use while shopping for Operation: Slickdeal. These guides are meant for the new coupon shopper learning the ropes. These deals are the cream of the crop, so you will have to shop early to beat the competition. I am concentrating on simply using coupons from the Sunday paper from the current week.

You will find help for any particular store in that week's current thread.

Please start by buying two Sunday papers.

If you'll recall from the previous guide/video, Register Rewards will print at the register as you buy certain items. You can use these coupons like cash on your purchase. We'll be using this system with the coupons to get maximum savings. Here are the items we'll be purchasing, and coupons we'll be using this week.

**Women's 6 Blade Razor System** – normally \$3.99, you will get a \$3.99 Register Reward, so the item is free

**GUM Dental Care 2 pack toothbrushes or floss** – normally \$2, you will get a \$2 Register Reward, so the item is free

**Teething Gel Hylands** – normally \$5, you will get a \$5 Register Reward, making the item free. You can also use the \$1 off Hyland's Teething Gel coupon, which you can print [here](#)

**Air Freshener Kit Airwick Freshmatic, double fresh scented oil and neutra air freshmatic** – normally \$7.99, you will get a \$3 Register Reward, and there is a \$4 manufacturer's coupon in the Sunday Paper (**Air Wick Freshmatic Ultra Odor Detect Starter Kit, any – 06-12-11 save \$4.00 off one**) making the item free

**Evenflo Simply Absorbent Disposable Nursing Pads** – normally \$4.99, get a \$4 Register Reward, making the item \$.99

**Infusium 23 hair Care** – normally \$5.99, you will get a \$4 Register Reward, and there is a \$1 off coupon in the Sunday paper. There is also a \$1 off one coupon available from SmartSource.

**Huggies Baby Wipes 64 or 72 pack** – normally \$2.49, there is a \$1 off coupon in the monthly coupon book located at the front of the store by the weekly ads.

Please take the time to read the Walgreen's [FAQ](#) thread. There are a few things to keep in mind:

- You cannot buy more than one of a Register Reward “deal” and get a Register Reward for each.
- You must pay separately to receive your Register Reward for each
- You can buy different Register Reward deals in one transaction and get the Register Reward for each deal, as long as none of the deals are duplicates.
- If you buy and then receive a Register Reward for a particular deal, you cannot use the Register

Reward from that deal to repeat the deal. The Register Reward will not print.

So, we will plan two transactions for Walgreen's using these deals:

**Transaction #1**

**Teething Gel Hylands** (in the baby aisle with the lotions and baby wash)

**Infusium 23 Hair Care** (in the shampoo aisle)

**Air Freshener Kit Airwick Freshmatic** (in the cleaning aisle)

Buy one of each of the items listed above. Make sure the Register Rewards machine has a steady green light. It will ring up like this:

Hylands Teething Gel:	\$5
Air Freshener:	\$7.99
Infusium:	\$5.99
<b>Subtotal:</b>	<b>\$18.90</b>

Then, you will hand the cashier three coupons, one for each product:

-\$4 for the air freshener (from the SmartSource insert in the Sunday paper)

-\$1 for Infusium (either the printable linked on Page 1 or the coupon from the SmartSource insert in the Sunday paper)

-\$1 for the teething gel (from the printable coupon linked on page 1)

**New total: \$12.98**

You will now receive 3 Register Rewards, totaling \$12.

And you're ready for **Transaction #2**

**Evenflo Simply Absorbent Disposable Nursing Pads** (top shelf on baby aisle, above teething tablets)

**Women's 6 Blade Razor System** (on the razor wall, may be locked up. Also might be on the short glass shelves towards the front of the cosmetics department)

**GUM Dental Care 2 pack toothbrushes or floss** (with the toothbrushes)

**Huggies Baby Wipes 64 pack or 72 pack**

Buy one of each of the items listed above. Make sure the Register Rewards machine has a steady green light. It will ring up like this:

Nursing Pads:	\$4.99
Razor:	\$3.99
Floss:	\$2
Wipes:	\$2.49
<b>Subtotal:</b>	<b>\$13.48</b>

Use your Register Rewards to pay! Then use the Huggies coupon from the monthly book.

**New Total: 48 cents!**

You will also get \$10 worth of Register Rewards, save those for next week!

All in all, with this Walgreen's trip, we've got \$32.45 retail value for \$13.45 out of pocket and \$10 in

Register Rewards to use towards your next purchase. Very nice for your first time or two – and all items that could be used by a military family!
