

Walgreens Weekly Couponing Guide

This is the weekly guide for 7/17-7/23 to use while shopping for Operation: Slickdeal. These guides are meant for the new coupon shopper learning the ropes. These deals are the cream of the crop, so you will have to shop early to beat the competition. We are concentrating on simply using coupons from the Sunday paper from the current week, so all you need is two copies of this week's Sunday paper. (From July 17, 2011)

You will find help for any particular store in that week's current thread. The general Walgreens thread is located at <http://slickdeals.net/forums/showthread.php?t=3056285>.

If you followed last week's guide, you should have 3 Register Reward coupons totaling \$10, we will be using them this week. The Sunday paper deals are a little slim this week, as is often the case in the summer months, but we will do our best. There are other great deals available this week that use older coupons. If you are interested in learning about these deals, the people in the Walgreens thread linked above would be happy to help you.

Here is what we'll be buying this week:

Mitchum or Lady Mitchum Anti-perspirant/Deoderant – On sale for 2 for \$6, and you will get a \$4 Register Reward. When you buy it, use your \$2 and \$4 Register Reward, and it's free. You'll also get a \$4 Register Reward for next week.

If you'd like, you can do this transaction twice to use all of last week's Register Rewards and you will end up paying \$2 out of pocket, but you will have \$8 worth of Register Rewards to use next week.
